

Covenant Life exists to have a real relationship with the loving God, relevant impact in serving people, and relational experience in building disciples.

Welcome! We are glad you have chosen to join us today. Whether this is your first time to worship with us or if you are with us often, we hope you will feel at home. Please let us know if we can assist you.

Nursery is available for children up through preschool age. Feel free to drop off your child at any time before or during the service. Kindergarten through fifth grade children enjoy praise and worship with their families until the '101' lights up on the right side of the platform. At that time, you can drop them off in the fellowship hall. Please be sure to pick up all children directly after service. They will not be released without a parent pick up.

Guests, please fill out a visitor card in the chair's pocket in front of you and following service please take it to the Hospitality Center located to the left in the foyer to receive a complimentary gift from us to you.

MISSIONARY MINUTE

Jim & Meg Thacker

Serving in Madagascar

As of the end of July our itineration came to an end. We saw God move in surprising and wonderful ways. We thank you for your faithfulness to God and your generosity to us. We are expecting God to continue to supply the remaining necessary funds to complete the building of the last 2 tabernacles. Thank you for your prayers. The international borders for our country, Madagascar are still CLOSED because of COVID 19. We are waiting to receive a date for when we can return. This time of waiting for Madagascar to reopen has proved to be the perfect timing of God. Meg has had surgery on her right shoulder in order to repair a rotator cuff, torn in two places, and a torn bicep tendon that had separated from the bone. This procedure could never have happened in Madagascar. She is doing well and we expect her to recover her full strength and range of motion. Praise God!

Please pray for our Malagasy brothers and sisters who are experiencing severe famine in the southern & western part of the country. A meal can consist of a mixture of clay, leaves and a locust to their delight, if they can find one. Many children are dying of starvation.

Thank you for your prayers!
